Dear Bogey Hills Club Member,

Bogey Hills has been very fortunate to have retained so many of our staff members again this year. Team members put in long hours, days and weeks to help maintain the level of service that is expected for our members.

Each year members are given the opportunity to make a voluntary contribution to the Employee Holiday Fund. This is simply a small “thank you” for our staff’s dedication to the Club and its membership throughout the year, especially those behind the scenes such as the Golf Course and Kitchen staff. The employee’s know that this fund is a direct contribution from the **members**.

The Fund is allocated by the Finance committee and is fully distributed among the non-department head employees in December. The fund has not been increased since 2018 and with all the additional staff added over the years the fund charge has increased. You will see an automatic charge of \$65.00 on your statement. If you would like to contribute an additional amount, please indicate such below. If you would like to opt out you may do so by deducting the amount from your payment.

On behalf of the entire staff please accept their gratitude for recognizing their continual support and dedication to the club and the members.

Sincerely,

Angel Likens, President
