This will get you to our mobile friendly portal. This app lets you make tee times, dining reservations, and payments on your account. It also allows for a quick easy way to place a to-go order.

Facebook ~ Bogey Hills has a private Facebook page for our members. Please look it up at Members of Bogey Hills Country Club. You must provide your membership number to be accepted into the group.

GOLF COURSE ETIQUETTE

Bogey Hills Country Club is known for its outstanding course layout, playability, and conditioning. It is very important for members and guests, as well as the club staff, to play an important role in our ability to be able to provide and maintain a quality golf course. We ask that all members, guests, and staff take the time to repair ball marks on the greens, rake bunkers, and abide by daily/seasonal cart rules. All members assume responsibility for themselves and their guests regarding damaged property of Bogey Hills Country Club that occurs outside the normal course of play.

GOLF PLAY POLICY

All members must check in prior to their tee time and provide the club with all the information needed for the time. The Club reserves the right to pair singles, 2-somes, and 3-somes as needed.

5-somes are allowed any time throughout the week with the approval of The Head Golf Professional. The Club reserves the right to break up any 5-some or group that does not meet adequate pace of play standards or does not exercise proper etiquette regarding faster groups.

A cancellation is required at least 24 hours in advance of the scheduled tee time. If a member and/or their guests fail to appear for a reserved time, the member will be liable for all the fees associated with the tee time. This policy is designed to discourage "no-shows" that otherwise deprive other members and their guests access to the course.

All days devoid of member events/tournaments will have tee times allotted for various skin games throughout the day. These are long-standing games that are a big part of Bogey Hills Country Club. The golf shop staff will help accommodate tee time requests around these games or will gladly expedite the inclusion of any member and their guests into whichever "Skin Game" they choose to play with.

GOLF PRIVILEGES FOR GUEST

2. Bogey Members are responsible for making tee times for their guest, as well as for the conduct of their guest. All guests must be accompanied by a member.

5. The Head Golf Professional may extend reciprocal privileges to members of other district clubs Tuesday through Friday and after 12:00pm on Saturday, Sunday, and holidays.

HANDICAP FLAGS

You may obtain a handicap flag from the golf shop if you have submitted a letter from a Doctor to the Membership Office. Doctor's notes must state the specific reason for the need and the length of time you will be affected by the disability. Doctor's notes also must be submitted annually. Flags may be warranted for a variety of reasons, such as: knee replacements, joint replacements, heart issues and many other physical ailments. Handicap Flags are offered by Bogey Hills Country Club to aid in the enjoyment of golf for members who otherwise struggle to play or finish the round. Handicap Flags are available for members ONLY and can be prohibited by the Golf Course Superintendent at certain times. Handicap flags for golf carts will be issued as a privilege, not as a convenience.

Procedures for use of Handicap Flags:

1. Handicap flags are not a license to drive anywhere you please. Carts with flags are required to remain on the path on all Par 3 holes and #18 fairway.
2. Golf carts are never to be driven closer than 30 yards from the greens and tees.
3. Golf Carts are to be taken at a 90-degree angle to and from your ball.
4. Driving the length of the rough is not permitted.
5. A flag is issued to the individual it is meant for, therefore taking someone to their ball who is not issued a flag is a violation of the flag rule.
6. If there are multiple flags issued in a group, those individuals must ride in the same cart.

If the rules are violated, you will receive a warning. If the rules are violated a second time, then flag suspension will be taken away for up to two weeks. After a third violation flag privileges will be revoked.

MUSIC ON THE COURSE

Audio and Video

Permitted: Listening to audio or watching video on matters unrelated to the competition being played (such as a new report or background music.) But in doing so, consideration shown to others.

Not Permitted: Listening to music or other audio to eliminate distractions or to help with swing tempo. Viewing video showing play of the player or other players during the competition that helps the player in choosing a club, make a stroke, or deciding how to play during the round.

PACE OF PLAY

The expected pace of play has been established at 4 hours. This pace of play should allow all members and guests to enjoy the golf course without feeling rushed or impeded. All players, regardless of members or guests, or walking or riding, are expected to complete their rounds in a maximum of 4 hours.

Our staff will assist both members and guests in achieving this goal. Listed below are a few guidelines and suggestions for maintaining pace:

-All groups are expected to maintain their position on the golf course relative to the group directly in front of them. A group that tees off a half hole behind a group on #1 is expected to maintain that half hole gap throughout the round.

-If a member or guest group falls out of position, either relative to the group in front of them or to the 4-hour pace, a staff member will speak to that group and ask for their cooperation in getting back into position. If a group is unable to do so, the staff member may ask the group to skip a shot or a hole to get back into position.

These expectations for pace of play are not just that of the Club's management, but also for our Membership. The club will do our best to communicate the pace of play expectations to unaccompanied guests in advance of their rounds, but we also ask for each member's help in communicating these expectations to their guests as well. Pace of play will also be monitored by a GPS system in the Golf Shop.

Pace of Play Helpful Tips:

1. Play ready golf throughout the entire round.
2. Walk fast.
3. The first person to complete each hole should immediately go to the next tee and is expected to be the first person to tee off. The second person to finish should replace the flagstick.
4. Know where your group is in relation to the group in front of you.
5. Get your yardage and be ready to play before it is your turn to play.
6. If someone isn't quite ready to play, another player should play before them.
7. When any shot heads toward rough, a water hazard or trees, all players should watch closely as to where the ball lands.
8. Read your putt before it is your turn to play.
9. Recognize when someone will need the flagstick attended or your ball marked.
10. Place your golf bag or park your golf cart near the next teeing ground.
11. If your ball might be lost outside a water hazard or out of bounds, play a Provisional Ball.

LADIES GOLF ASSOCIATION

In simple terms, the BHLGA handles the fun and social events while the competitive tournaments are handled by the Golf Professional Staff. Female members of the Club must join the Bogey Hills Ladies Golf Association to participate in the weekly games. If you would like more information about the Bogey Hills Ladies Golf Association at Bogey Hills, please stop by the golf shop.

The 18-Hole Ladies play on Tuesday mornings. On holiday weekends where Monday is considered a holiday and open to the members, the Club will be closed the following Tuesday and there will be no Ladies League. Tuesday Ladies League will shotgun start at 8:30am. Sign-up sheets will be posted in the ladies' locker room and must be filled out the Sunday before play. Ladies may also sign up via Golf Genius.

JUNIOR GOLF (FUTURE GOLFERS ACADEMY)

Every season our goal is to create a fun atmosphere where kids will be engaged and motivated to improve their game. Our weekly curriculum will include instruction focused around the fundamentals of golf, and age/experience based pairings while playing on course.

The FGA will be divided into individual 5-week instructional and 4 on-course play day sessions. Along with our season ending session consisting of a Fun Day on the driving range and putting green. The sessions will begin on June 20th and continue until August 1st. We will meet each week on Tuesday and Sunday Evenings.

The FGA play days are formatted to help young players see success by applying the skills they have learned from the instructional clinics to their on-course round. Placing players by age/ability level will allow them to make friends and play with others that have similar abilities and make for a more enjoyable golf experience. During the course setup each week, the yardage and weekly game will allow them to apply their skills developed from the lesson to on course play.

Group Age / Skill / Yardage

3 Hole Group (New / Beginner) – 350-400 Yards

6 Hole Group (Beginner / Intermediate) – 1200-1300 Yards

To help our future golfers focus on the core aspects of our academy they will receive rewards in the form of Achievement Chips. Rewardable achievements will range from demonstrations of sportsmanship, logging outside practice time, course maintenance and etiquette, and displaying skills learned from previous weeks lessons. Chips will be redeemable at the end of the session. We will have a "store" full of goodies for them to trade their chips for.

Parental Involvement

Parental involvement in Junior Golf is strongly encouraged during play. Parental supervision in the groups helps with child safety, assistance with score keeping, potential pace of play issues, and etiquette.

PGA JR LEAGUE

PGA Jr. League is a game-changing opportunity for boys and girls to learn and play golf. The program brings family and friends together around fun, team golf experiences with expert coaching from the Golf Professionals here at Bogey Hills. PGA Jr. League is a great option for additional play and friendly competition for those junior players who are experienced and looking to expand their game. Registration starts in early February each season.

PGA Jr. League is comprised of local golf teams playing in friendly competitions that encourage both skill development and team building. PGA Jr. League is played in a fun and exciting scramble format, where two players per team compete at one time, the best shot from the two is selected and the shot is played until the ball is holed out. Teams wear numbered jerseys and play four nine-hole matches per game, with the ability to substitute players every three holes, ensuring that all team members have the chance to participate. Similar to other youth sports, this format allows new players to fully engage in the game by learning in a team environment first and working toward a higher level of performance later. This encouraging and fun atmosphere keeps kids engaged and interested in continuing to play golf as they grow older.

SPORTS-RELATED GAMES AVAILABLE DURING 2025

At Bogey Hills Country Club, our members truly enjoy the pools and games we offer during the year. It is our pleasure to administer and keep these games fresh and fun for all. Our members get an extra kick out of watching a golf tournament or a baseball, basketball or football game knowing the outcome can put significant dollars in their merchandise credit account. Many of our winners take care of a season's worth of golf balls, golf gloves, shirts, and outerwear, bags and putters and sometimes sets of clubs by successfully playing these games. If interested, be sure to get on our "Pool Players" list and be included when we notify our players of a forthcoming pool. If you would like to be added to the Pool Players email list, please contact Ryan Roy, Head Golf Professional, to be kept up to date on all Golf Shop Games.

Here is a brief rundown of what to expect in 2025. During the season, new and exciting games and pools are always dreamt up and created, so this is only a partial list. Enjoy another fun and profitable year. Let the games begin!! Entry Fees for each event vary based on the respective contest. Check your emails for more information.

MARCH MADNESS FILL-IN POOL

Be a part of March Madness! Pick your favorites and underdogs on the Road to the Final Four. You'll enjoy filling in your brackets and watching all the action for six rounds. Standings are updated weekly.

MLB 13-RUN POOL

Turning to baseball, we offer a typical 13-run pool. Each member in the pool will be drawn one of the 30 teams. They will have that team until the All-Star Break, at which point, we will re-draw for the balance of the regular season. If your team scores 13 runs in a given game, you are a winner. If 13 runs are not scored in a given week, the pool carries over to the next week. Many members have won large carry-over amounts in the past and there is no reason this year will be any different. This pool builds significant golf shop credit.

THE MASTERS, U.S. OPEN, BRITISH OPEN, PGA CHAMPIONSHIP, GRAND SLAM

These golf pools are the ones that everybody is talking about. You get to pick a 7-man team from a group of 7 boxed players. Wild card picks are also available and are encouraged. Winners of these tournaments typically pick one player that plays well and nobody else has him on their team. In pool lingo, this is called a solo. Winners are determined by the best 4 cumulative scores of your 7-man team. Watching a major golf tournament and rooting for your favorite players with major golf shop credit on the line is both fun and exciting. The Grand Slam Pool is a pool within a pool. There is no additional entry fee as 10% of each major's entry fees are withheld for the winners of the Grand Slam Pool. After the last major we total your scores from the four tournaments and declare a winner.

N.F.L. 33-POINT POOL

Similar to the baseball pool, we have football fun with the 33-point pool. We draw a team for each of the 32 players and they have that team for the first 9 weeks of the season. After 9 weeks, we redraw and your new team takes you through the Super Bowl, if you're lucky. The hard part is having your team score exactly 33 points. The carryover aspect of this pool is tremendous. 4-digit winnings in golf shop credit are not unheard of (see Bob Davis, Rusty Shelley, and Gary Melchior).

SUPER BOWL SQUARES POOL

The club also has everybody's favorite, the 100-square grid representing all possible scores in the Super Bowl. We will have two separate pools and sell squares for both \$25 and \$50 for a potential \$5000 pot in shop credit. A winner will be determined at the end of the 1st quarter, 2nd quarter, 3rd quarter, and final game score. Winners are determined by looking at the last number in each teams' score, and then matching those numbers on the grid to see which square intersects those two numbers.

These pools are the highlights of our season. Throughout the course of the year, new games will be created to keep things fresh. We are always thinking of exciting contests to keep Bogey Hills fun. Please let the golf shop know if you would like to be added to the "Pool Players" email list to be reminded each time an event rolls around. It is our pleasure running these games and we hope you participate often, have a great time doing so and accumulate "Dave Barklage-like" golf shop credit.

GOLF INSTRUCTION

Private lessons are the best way to learn the game of golf. One-on-one instruction will allow you to have the full attention of your instructor for the allotted time. The goal is to enhance the students' game, their enjoyment, and the learning experience.
